<b>GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:</b>																								

An investigation by Metropolitan Police Detectives revealed that on Saturday, December 17, 2011 at approximately 2236 hours, members of the Metropolitan Police Department's Sixth District responded to 936 Burns Street, Southeast, Washington DC to investigate a simple assault. Upon the member's arrival, they observed a black male lying in front of the driveway to 932 Burns Street, Southeast, suffering from a stab wound to the chest. DCFB ambulance #19 responded to the scene and transported the victim to Med Star where he was pronounced dead at 2337 hours by Dr. Shifflet.

The decedent's remains were transported to the Office of the Chief Medical Examiner for the District of Columbia. On December 18, 2011, the decedent was positively identified as Kevin Blackwell Jr. An autopsy was performed on the remains of the decedent by Deputy Medical Examiner Sunil Prashar. At the conclusion of the autopsy, Dr. Prashar determined that the cause of death was a stab wound to the decedent's chest and ruled the manner of death to be a homicide. During the autopsy, an additional stab wound and other cutting-type wounds were observed on the body.

Members of the Metropolitan Police Department's Homicide Branch initiated an investigation into the stabbing death of Kevin Blackwell Jr. During the course of the investigation, members interviewed a witness, hereafter referred to as W-1. W-1 reported that IT heard an argument between subjects in the 900 block of Burns Street, SE. W-1 stated that IT then observed two to three subjects assaulting the decedent. W-1 further advised that during the assault, the subjects were taking items from the decedent's person. W-1 stated that after the assault, the subjects then entered a beige car and fled the area. According to W-1, when IT first saw the beige vehicle during the assault, the vehicle was parked facing in a legal direction, as the 900 block Burns Street, SE is a one-way. At some point during the assault, the beige vehicle turned around facing in an illegal direction and waited for the subjects to enter the vehicle. W-1 indicated that it thought that one or two of the attackers might possibly be female, due to the long length of hair.

During the course of the investigation, it was learned by members of the Homicide Branch that an outgoing call was made and received by a Maryland 911 Operator from the decedent's cell phone that was not recovered at the scene of the offense. The call was recorded by the Prince George's County dispatch center. During the call, an apparent struggle is heard between the decedent and several subjects. While the struggle is ensuing, the voices of subjects are heard stating "stab this Nigga up" and "work his pockets". A voice is heard threatening to shoot the

decedent. As the offense is continuing, a voice is heard stating, "Give me your phone" and "Come up off that North Face cuz". Next, a voice is heard "Get in the fuckin car Face. C'mon before the police show up!" Then, a voice is heard, "Nah son, I'm bout to stab this nigga son." Towards the end of the call a voice states, look at the blood on this motherfucker and I got his phone.

Members of the Metropolitan Police Department Homicide Branch contacted the decedent's cell phone provider. The cell phone provider provided the MPD with a GPS location of the decedent's cell phone as latitude of 38.760967 and longitude of negative 76.824839 with a range of certainty of eight (8) meters. The entire eight (8) meters were within the premises of [REDACTED] Phillips Drive, Upper Marlboro, Maryland.

On Sunday, December 18, 2011, members from the Metropolitan Police Department Homicide Branch went to the above listed address and observed a 2003 four-door beige Cadillac bearing Maryland registration plates "JGJ453" parked in the driveway to [REDACTED] Phillips Drive, Upper Marlboro, Maryland. Detectives observed what appeared to be blood stains on the left rear passenger door and what appeared to be blood on the rear passenger seat of the described Cadillac. The investigation also revealed that Harold M. Proctor who resides at 10816 Phillips Drive, Upper Marlboro, MD, operated the above-described Cadillac without the owner's permission during the time the decedent was attacked, robbed, and murdered.

With the assistance of the Prince Georges County Homicide Unit, a search warrant was obtained for the entire premises of [REDACTED] Phillips Drive, Upper Marlboro, Maryland, on Sunday, December 18, 2011. Subsequently, the search warrant was executed for the premises. Found during the search was a LG Optimus cell phone in the room of Harold Maurice Proctor. The recovered cell phone bore electronic serial numbers (ESN) 270113180106839244 and A1000019685BCC. A family member of the decedent provided police with the original box that the cell phone was packaged in at the time of purchase. The ESN's of the cell phone box and recovered cell phone were an exact match in comparison. Also recovered from the above premises was a blue "North Face Jacket". The family of the decedent provided a description of a jacket the decedent owned, which is consistent with the jacket recovered during the search of the above listed premises.

Metropolitan Police Homicide detectives interviewed a witness, hereafter referred to as W-2. W-2 indicated that IT was not present nor a witness to the stabbing. The 911 call was played, and W-2 identified the voice saying words to the effect of, "Get in the fuckin car Face. C'mon before the police show up" as belonging to Rocky (Harold M. Proctor), whom IT identified through a confirmatory photograph. When asked whose voice was saying at the beginning of the call words to the effect of, cuz move your hands, W-2 identified it as belonging to Wayne or another person known to W-2, but cannot positively identify which of the two.

W-2 indicated that the individual IT referred to simply as "Face" was a close friend, but that IT could not provide his name. W-2 was shown a single photograph of Christopher Williams dob: [REDACTED] 91 of [REDACTED] Country Wood Ct. Capitol Heights Md. 20743. W-2 stated that the single photograph did not depict Face. W-2 was shown a photograph depicting multiple people. W-2 identified one of the individuals depicted in the photograph as Wayne, the individual whose voice may be heard saying, cuz move your hands, or words to that effect. Your affiant compared the person W-2 identified as Wayne to a photograph of Wayne Antwon Jackson, dob: [REDACTED] -89, LKA: [REDACTED] Greig Street, Capitol Heights Md. 20743 which was obtained from a law enforcement database and determined that the two individuals are the same. W-2 told law enforcement that IT knew the decedent, but claimed that IT had not had any contact with the decedent since before about September or October of 2011. Your affiant would note that further investigation has determined that telephone numbers associated with W-2 were in contact with the decedent's telephone on the day of the assault and even minutes before the decedent's cellular telephone called 911.

Further investigation led to contact with W-3. W-3 stated that IT heard Wayne speaking about the homicide. According to W-3, Wayne admitted being present at the time of the stabbing; however, he denied participating and claimed to have remained inside the vehicle at the time of the robbery murder. W-3 listened to the 911 call, and identified two of the voices on it as belonging to Face and Harold Proctor. W-3 indicated that the words in the 911 call to the effect of, Move your hands cuz, son you want me to stab you, and look at the blood on this motherfucker and I got his phone, were spoken by Face. W-3 indicated that the words in the call that were to the

VCIC Approved msc 01/11/2012

effect of, "Get in the fuckin car Face. C'mon before the police show up!" sounded like the voice of Harold Proctor. W-3 stated that IT has known Wayne for several years. W-3 was shown a photograph depicting multiple people. W-3 identified one of the individuals depicted in the photograph as Wayne, the individual who admitted being present, but denied any involvement. Your affiant compared the person W-3 identified as Wayne to a photograph of Wayne Antwon Jackson, dob: [REDACTED]-89, LKA: [REDACTED] Greig Street, Capitol Heights Md. 20743 which was obtained from a law enforcement database and determined that the two individuals are the same. W-3 was shown a single photograph of Christopher Williams, DOB: [REDACTED]1991, LKA: [REDACTED] Country Wood Court, Landover, MD 20785 which W-3 positively identified as Face, the person whose voice IT recognized in the 911 call.

Further investigation led to contact with W-4. W-4 indicated that IT heard Face say that Face had stabbed "Kevin," and observed Face carrying a knife with a blue handle and black blade whose blade appeared to be covered in dried blood. W-4 heard Face say that it was retaliation for an earlier incident in which Face had been robbed. Face indicated that Rocky was driving, and that Wayne was also with him during the assault, which came after they had gone looking for Kevin. Face also stated that Wayne stabbed the decedent, too. W-4 has known Wayne, Face, and Rocky for more than a year. W-4 was shown a single photograph of Harold M. Proctor, DOB [REDACTED]/1992 which W-4 positively identified as Rocky. W-4 was shown a single photograph depicting Wayne Antwon Jackson, dob: [REDACTED]-89, LKA: [REDACTED] Greig Street, Capitol Heights Md. 20743 which W-4 positively identified as Wayne. W-4 was shown a single photograph of Christopher Williams, DOB: [REDACTED]1991, LKA: [REDACTED] Country Wood Court, Landover, MD 20785 which W-4 positively identified as Face. W-4 also listened to the 911 call. W-4 identified three voices in the call as belonging to Rocky, Wayne, and Face; IT could not identify a voice at the very end of the call. W-4 identified a voice at the beginning of the call saying words to the effect of, don't get up cuz, move your hands, as being Wayne's voice; work his pockets as being Rocky or Face's voice; where the fuck that shit at as being Face's voice; stab that nigger son as sounding like Wayne's voice; and look at the blood on that motherfucker and I got his phone as being Wayne's voice. Your affiant would note that in ITs initial conversation with law enforcement, W-4 was not completely forthright to include, W-4 failing to mention Face's comment about Wayne having also stabbed the decedent.

On December 21, 2011, an arrest warrant charging Felony Murder while Armed was obtained for Harold M. Proctor. On December 27, 2011, Harold M. Proctor was arrested and charged. Proctor was ordered to be held without bond on felony murder while armed after a detention hearing on January 6, 2012.

Following Harold Proctor's arrest, he waived his Miranda warnings and provided a statement to law enforcement. During the initial interview of Proctor, he denied any firsthand knowledge concerning the robbery murder. Subsequently, he provided the following information which does not include every detail: Proctor stated that prior to October 2011, the decedent set up him, Face, and another individual to be robbed. On the evening of the murder, Proctor was driving the 2003 4-door beige Cadillac bearing MD registration plates JGJ453. Proctor picked up Face, Wayne, and W-2 and the four hung out together. The group agreed to set-up the decedent, who W-2 knew and who Proctor and Face believed had set them up previously to be robbed. According to Proctor, W-2 used ITS cellular telephone to arrange to meet the decedent. During the night, W-2 changed ITS mind about setting up the decedent and called the decedent, telling him IT no longer wanted to meet. Face told W-2 that IT had to set up the decedent and that the decedent had to die for setting them up earlier to be robbed. W-2 later called the decedent and arranged to meet. All four travelled to the street where the decedent resided and parked. As the decedent left his home and began walking along, W-2 pointed out the decedent to Proctor.

According to Proctor, Face and Wayne chased the decedent. According to Proctor, he and W-2, who were in the car, met up with Wayne, Face, and the decedent in the 900 block of Burns Street, SE, Washington, DC. Proctor admitted that he, Face, and Wayne all assaulted the decedent, kicking, stomping, and punching him. At some point both he and Wayne entered the car. According to Proctor, Face who continued to assault the decedent, took the decedent's Northface jacket and threw it into the car. Face continued to assault the decedent at which time Proctor told Face to come on before police arrived. Face entered the car and stated that he (Face) thinks he stabbed the decedent. Then, the four then fled the scene.

During the interview, Proctor was played portions of the aforementioned 911 call and stated the following: a

NEIC Approved ASD 1/11/2012

portion of the call in which a voice stated words to the effect of, Move your hands cuz, son, you want me to stab you, was Wayne's voice; a portion of the call in which a voice states words to the effect of, "Get in the fuckin car Face. C'mon before the police show up" was his own voice (Proctor's); a voice stating words to the effect of, I'm about to stab that nigger son was Wayne's voice; that a voice stating words to the effect of, bitch ass nigger don't ever... had to be Face's voice; a voice saying words to the effect of, look at the blood on that motherfucker and I got his phone was Wayne's voice; and a voice at the very end of the call belonged to W-2.

According to Proctor's statement, Proctor claimed not to know that anyone intended to rob the decedent, Proctor had all along assumed that it was just going to be a one-on-one fight with the decedent, and Proctor did not see any weapons on anyone. Proctor stated that he has known Face to carry a knife. Proctor described one such knife that Face would carry as having a blue handle and a black blade.

Harold Proctor was shown a single photograph depicting Wayne Antwon Jackson, dob: [REDACTED]-89, LKA: [REDACTED] Greig Street, Capitol Heights Md. 20743 which he positively identified as Wayne, the individual who participated in the assault of the decedent and whose voice he recognized on the 911 call. Harold Proctor was shown a single photograph of Christopher Williams, DOB: [REDACTED] 1991, LKA: [REDACTED] Country Wood Court, Landover, MD 20785 which he positively identified him as Face, the individual who participated in the assault of the decedent and whose voice he recognized on the 911 call.

The stabbing death of Kevin Blackwell Jr. took place within the District of Columbia. Based on the above, your affiant believes that probable cause exists for the issuance of a District of Columbia Superior Court Arrest Warrant charging Christopher Williams, DOB: [REDACTED] 1991, LKA: [REDACTED] Country Wood Court, Landover, MD 20785 and Wayne Jackson, DOB: [REDACTED] 1989, LKA: [REDACTED] Greig Street, Capitol Heights, MD 20743 with Felony Murder While Armed.
